

The International Jew's Harp Society (IJHS)

The International Jew's Harp Society (IJHS) is a non-profit organisation established at the 3rd International Jew's Harp Festival and Congress in 1998 in Molln/Austria, with the aim of bringing together as many of the enthusiasts for the instrument as possible.

The International Jew's Harp Society is a globally acknowledged authority that reflects and represents the ancient and diverse traditions, the colourfulness and the future of the jew's harp. Our Society is a global organisation that functions as an umbrella for players, researchers, makers, enthusiasts, and dedicated festivals.

Not only does the IJHS organise international congresses that involve players from around the globe, but also publish an increasingly acknowledged Journal, a blog and an online newsletter.
